

**SAVE THE DATE**  
**1<sup>ST</sup> ANNUAL SUMMER CONFERENCE**  
**JULY 8-10, 2010**  
**AMARILLO, TEXAS**

## How to Conduct a Legal, Safe, and Successful Community Medication Take Back Program

**Date:** July 8-10, 2010

**Location:** Amarillo, Texas

**Registration Fee:** \$350 per attendee

**Target audience:** law enforcement, school administrators, pharmacists, other healthcare professionals, solid waste or water treatment officials, other interested parties

*All conference attendees will participate in an actual small-scale take back event to gain invaluable hands-on experience.*

Conference attendance will be limited to the first 50 registrants.

For more information or to reserve your spot:  
call (806) 351-5626

If you have not signed up for email updates, you may do so at:  
[www.MedicationCleanout.com](http://www.MedicationCleanout.com)

- Are you or others in your organization interested in conducting a medication take back program?
- Would you like to learn about the laws, rules, and regulations related to take back programs?
- Would you like to hear how others have conducted take back events and learn from their experiences?
- Do you want to assist your community and help prevent poisonings, abuse, misuse, and the environmental contamination that can occur when medications are disposed of improperly?

By the end of the conference, attendees will be able to:

- Justify the need for medication take back programs using information from medical and public health literature
- Review laws, rules, and regulations regarding the management of pharmaceuticals at a take back event and regarding environmental aspects of a take back program
- Outline the steps and components necessary for successful conduction of a take back event
- Describe the challenges and benefits of take back data collection and demonstrate use of a collection database

**Key features of conference:**

Speakers include individuals who have experience with medication take back events and are from multiple disciplines including pharmacy, school district, safety services, law enforcement, and HHW & waste management personnel.

**Registration fee includes:**

Conference materials that will consist of a sample volunteer manual, sample liability waivers, sample letters to DEA and law enforcement. USB flash drive including an Access database template that may be used for inventory entry, event T-shirt that must be worn during conference take back event, refreshments, lunch-time meals (Fri & Sat), and dinner meal (Thurs).

**Disclosure:**

While this conference will be of benefit to participants from any state, some emphasis will be placed on Texas laws, rules, & regulations as the speakers' experiences are primarily from events conducted within Texas.
