

## **FPL Energy is recruiting six (6) GIS Professionals to join our Wind Development Team!**

- **GIS Technicians** (2 positions)
- **GIS Specialists** (2 positions)
- **Lead GIS Specialists** (2 positions)

FPL Energy is a foremost provider of clean energy, with natural gas, wind, solar, hydroelectric and nuclear power plants in operation in 24 states. We are the world's top producer of wind power, and we operate the two largest solar fields on the planet. More than 90 percent of FPL Energy's electricity is generated by clean fuels, and 100% of our effort goes into upholding our leadership in this exciting and rapidly emerging field.
