

Seven Hills Regional Usergroup for GIS (SHRUG)
Seventh Annual GIS Workshop
"GIS Revolution"
Tallahassee-Leon County Civic Center
Tallahassee, FL * November 19th-20th, 2008
www.shrug-gis.info/workshop08

Announcing our Guest speaker

Todd Danielson is the editor of **GeoWorld** magazine and the Geoplace.com Web site. He began working for **GeoWorld** (originally *GIS World*) in 1996, having been the magazine's assistant, managing and executive editors.

Early Registration is now underway!

Early Registration for Workshop Attendance is available for **\$100.00**, continuing until August 30th. The Standard Registration Rate increases to **\$125.00** on September 1st. We will also be offering a Student Rate of only **\$50.00** again this year. Online registration via credit card is the quickest way to complete your registration.

Call for Presentations and Posters

The goal of the SHRUG GIS Workshop each year is to focus the spotlight on the GIS activities of its attendees. The SHRUG workshop is a great way to share GIS insights and applications in a relaxed, informal setting. Presentations slots range from individual 15-minute sessions up to full panel discussion blocks. Click the link at right to submit your abstract or poster today!

Call for Workshop Sponsors and Exhibitors

Our Sponsors and Exhibitors help make the SHRUG Workshop possible every year! An initial invitation has already gone out to our previous sponsors and exhibitors from past Workshops. If you have not received one, or if your company would like to participate by having a booth at this years' workshop, please see the link above.

The Sponsorship levels this year are again **Platinum** (\$2,000), **Gold** (\$1,500), **Silver** (\$750), and **Bronze** (\$500).

Thanks to our current Sponsors!

Pre-Workshop Training Sessions - November 17-18th, 21st

REMINDER We need your help deciding which courses to offer at the Workshop this year! We have placed a [survey](#) online to give you the opportunity to have a say in this year's training selections.

Take a moment to vote for your Top 3 choices from the variety of available courses. We will compile the results and offer the most popular training selections. The survey will be available until June 15th, to give the Planning Committee sufficient time to secure the selected courses. Let your voice be heard!
