

The Rocket City Geospatial Conference

November 17, 2008

Huntsville, Alabama

A Directions Media & GITA Event

The Premier Geospatial Conference in the Southeast

Event Details:

Where: Huntsville, AL (Venue TBD)

When: November 17, 2009

What: Presentations and plenary sessions will address many industry areas including topics but focus on spatial data infrastructure and infrastructure management of American Recovery and Reinvestment Act funds.

Who: The focus of the event is on state and local government applications and we invite all involved with GIS applications from around the Southeastern United States to join for the premier geospatial conference in the region. Over 25 exhibitors will be in our exhibition.

Registration: \$125; \$35 for Students (registration includes two workshops). Go to: <http://www.rocketcitygeospatial.com>

Sponsorship: Six sponsorship positions are offered at \$995 and include a 20-25 minute presentation in the main session plus literature included in the attendee bags. Coffee, Lunch, attendee bag, and lanyard sponsorships also available.
