

**You
are invited
to attend the**

conference!

August 14 – 15, 2010

*The Georgia World Congress Center
Atlanta, Georgia*

We have all sorts of exciting things planned.

*There are talks on everything from
OSM in Government to Education,
technical talks like MongOSM,
and community talks such as
How to Run a Large Scale Mapping Party.*

Historic Olmsted Parks on Ponce DeLeon (OpenStreetMap and Contributors CC-BY-SA)

*Check it out at **www.sotm.us** and hope to see you there!*

Summary of the scheduled presentations

OSM Past/Present/Future • OpenStreetMap used in a High School Environment • Running Large Scale Mapping Parties • OSM at AOL Local • Potential Uses of Open Street Map in Local Government • Open the Data • Government Institutions and OSM • "Super Secret Map Surprise" • MapQuest Open Style/Tiles: A Case Study • Updating OSM from public and institutional data • TopOSM – OSM-Based Topographic Maps • MongOSM • Importing Data Using shp-2-osm, • OSM US Annual Meeting • Who are the mappers and why do they map in OpenStreetMap? • How Can We Get the U.S. Mapped? • How OpenStreetMap Changed Disaster Relief Forever • OSM in Post Conflict Communities

Registration fee: \$20 for students & \$35 for everyone else

*Help your school or neighborhood **get on the map!***
