

Seven Hills Regional User Group for GIS (SHRUG)  
Eighth GIS Workshop  
"Getting the Most Out of GIS"  
Florida State Turnbull Convention Center  
Tallahassee, FL \* November 17th-18th, 2010

**The SHRUG 2010 GIS Workshop is looking for presenters and poster makers!!**

You've worked hard to complete an interesting GIS project or have implemented a new GIS technology at your office. **Now share your experience and knowledge by being a presenter or creating a poster!** We expect and encourage a wide diversity of GIS subjects.

**Presentations are designed for all levels of experience - from fundamental to intermediate to advanced topics in the GIS field.** This multiple track format offers a self-directed, facilitated environment for sharing GIS insights and real-world experiences. Come share your ideas and projects, expound on your research and development, display your new applications, and network with other GIS professionals.

**Presentations slots range from short individual sessions up to full panel discussion blocks – there is something for everyone!** If you are knowledgeable GIS professional willing to share your projects and real-world GIS experience, you are invited to submit a presentation or poster abstract today!

**So go ahead and submit your abstract or poster today!**
