

2014 SHRUG Workshop - Spatial Horizons

Why should you attend the SHRUG Workshop?

There are many reasons you will find value in attending the 2014 SHRUG Workshop. We have a great number of events planned that will help to enhance your skills and inform you of the latest trends and technology. The SHRUG Workshop has long been considered the best "Bang for your Buck" and here's why...

Featured Workshop Events

Keynote Speaker

Dr. David Holt, Ph.D

University of S. Mississippi Gulf Coast

Dr. Holt is assistant professor of geography in the College of Science and Technology. Dr. Holt received the Southern Miss Environmental Hero Award in 2010 and the Distinguished Professor of e-Learning award in 2008. Dr. Holt is currently involved in service learning, showing students direct application of geography to the community in projects like mapping cemeteries, creating nature trails, assisting 9-1-1 response and mapping paleontology dig sites.

GIS Lab

sponsored by eGIS Associates

A new feature to our workshop, the GIS Lab will be an interactive event that can help you with a problem or concept you've been struggling with or if you would like to be introduced to a new subject. A fully loaded mobile lab will be on site to provide hands-on experience. Bring your own data to customize your learning experience.

Topics will include:

- Python ArcGIS Online
- SQL ArcHydro
- ArcObjects Spatial Analysis

Speaker Sessions

A variety of fantastic presentations and discussions to help enhance your knowledge and give you an idea of what your peers are working on.

Panel Discussion

This year's panel will be "What's on Your Horizon?" and we'll discuss the rapidly evolving GIS profession and what you can do to stay ahead.

Wednesday Night Social

Come join your old friends and make some new ones at the Wednesday Night Social. Held at the 5th Ave Tap Room and featuring sandwiches from Lenny's Sub Shop!

Call for Presentations!

Do you have a project you would like to share with your professional colleagues? Would you like to present a thesis paper or dissertation defense? Or do you have some neat tips and tricks you'd like to pass on? Please consider making a presentation. For more information, please visit our [presentation page](#) and sign up!

Call for Posters!

The 2014 GIS Workshop Poster Session Committee invites you to submit a poster or map for display during the Workshop. All GIS-related subjects are welcome. This is an opportunity to share your company's projects in front of all attendees. So come on! What are you waiting for!

All posters must be 24 x 36 inches portrait or landscape

Don't miss out on this year's great cash prizes

- First Place \$100.00
- Second Place \$75.00
- Third Place \$50.00

Best of Show Recognition for exceptional poster entries will be awarded as noted in the "Poster Categories" section Potential displays include GIS analyses and visualizations, high-quality cartographic products, or project-based informational and educational posters.

Entries will be displayed at the exhibit hall every day of the conference duration. Posters will be judged by a panel of peers, with the exception of the additional category, "Best of Show," that will be voted on by the Workshop attendees. Winners will be announced and awarded at the luncheon time on November 20, 2014. Please review the minimum requirements below carefully when designing the content of your poster.

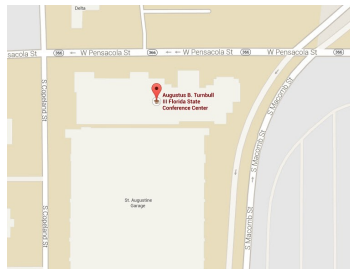

Must be present at the Workshop to win prizes.
