

Florida Green Lodging Program Workshop

Learn how to save money on your water, waste and energy bills. Get free tips and ideas, have lunch, and learn about the Florida Green Lodging program. Stay afterwards for a behind the scenes look at the fabulous Casa del Mar and how they've become green!

Thursday, November 2, 2006

St. Augustine, FL

Guana Tolomato Matanzas

National Estuarine Research Reserve

9 a.m. to 1:30 p.m.

Stay after for a tour of Casa del Mar, a Green Lodging applicant!

Attention Lodging Industry leaders, managers, engineers and staff interested in saving your hotel money while preserving natural resources. Come hear from experts in the field of water, energy, air quality and waste reduction who will discuss ways to make your hotel more green, save money, and get free marketing for your hotel!

FREE registration!

Location: Guana Tolomato Matanzas National Estuarine Research Reserve
Environmental Education Center
505 Guana River Rd.
Ponte Vedra Beach, FL 32082 (web map)

This is an interactive PDF, click on items to go to the web.

Hosted by The Guana Tolomato Matanzas National Estuarine Research Reserve Coastal Training Program.

The Florida Green Lodging Program

The Florida Dept. of Environmental Protection promotes waste reduction and conservation of resources through Green Lodging. Facilities that implement green initiatives can save money and receive positive publicity while helping the environment. www.FloridaGreenLodging.org

Green Lodging Workshop in St. Augustine, FL!!!

High efficiency water fixtures save water, power and money.

Recycling waste keeps trash bills down and guests happy.

Energy management systems and low energy fixtures cut power bills dramatically!

Safer, less toxic cleaners and chemicals helps indoor air quality and reduces human exposures

Native landscaping requires less maintenance and water.
