

Florida Green Lodging Program Workshop

Learn how to save money on your water, waste and energy bills. Get free tips, ideas and learn about the Florida Green Lodging program. Stay afterwards for a behind the scenes look at The Breakers and how they've become green!

Tuesday, May 15, 2007

Palm Beach, FL

The Breakers

9:00 a.m. to 12:30 p.m.

Come back after lunch, from 2:00 - 3:30 for a tour of The Breakers, a Certified Green Lodge!

Attention Lodging Industry leaders, managers, engineers and staff interested in saving your hotel money while preserving natural resources. Come hear from experts in the field of water, energy, air quality and waste reduction who will discuss ways to make your hotel more green, save money, and get free marketing for your hotel!

FREE registration!

Location: The Breakers

One South County Road
Palm Beach, FL 33480

Hosted by The Department of Environmental Protection Green Lodging program and the Southern Waste Information Exchange.

The Florida Green Lodging Program

The Florida Dept. of Environmental Protection promotes waste reduction and conservation of resources through Green Lodging Facilities that implement green initiatives that can save their hotel money and receive positive publicity while helping the environment.

Green Lodging Workshop in Palm Beach, FL!!!

High efficiency water fixtures save water, power and money.

Recycling waste keeps trash bills down and guests happy.

Energy management systems and low energy fixtures cut power bills dramatically!

Safer, less toxic cleaners and chemicals helps indoor air quality and reduces human exposures

Native landscaping requires less maintenance and water.
