You are invited to exhibit at the 4th Annual Environmental Excellence Day Workshop presented by the Metropolitan Environmental Training Alliance (METRA). The Workshop's goal is to provide FREE environmental training to a broad range of environmental professionals and small-business employees. The Workshop and exhibit provide a collaborative setting and numerous opportunities for networking among environmental professionals, government officials and service providers. The exhibit showcases companies offering environmental technologies and services. This is a great opportunity for you to bring your latest innovations and service offerings in front of decision-makers, product buyers and the regulated community.

### YOU ARE INVITED TO PARTICIPATE AT ONE OF FOUR EXHIBITOR LEVELS

<b>\$850 PLATINUM</b>	Floor display booth and all items listed under "gold" level.
<b>\$500 GOLD</b>	Featured in all media advertising; premium logo position at all events; your corporate "Link" on METRA website for one year and vendor table.
<b>\$300 SILVER</b>	Program listing and vendor table.
<b>\$200 BRONZE</b>	Program listing.

### WHAT IS METRA

METRA is an alliance of government agencies and businesses that partner to provide leadership and training in environmental compliance to businesses, organizations, communities, and government. METRA partners include agencies and businesses that regulate, produce, store, handle, or manage regulated chemicals or waste or provide related services and products. Together they provide low or no cost training for their employees as well as for others (i.e., small businesses, subcontractors, and suppliers, etc.).
