Used Oil Management Workshop and Driver Training Classes

Friday, May 22nd and Saturday May 23rd

Location:

Rosen Plaza Hotel
9700 International Drive
Orlando, FL 32819

The Florida Department of Environmental Protection, in association with the Southern Waste Information eXchange, Inc. (SWIX), is sponsoring a two day workshop to be held at the Rosen Plaza Hotel in Orlando, FL on Friday, May 22nd and Saturday, May 23rd, 2009. This two day workshop will address two aspects of Used Oil management:

1. Used Oil Management Standards Review and Update

Intended for owners/operators of companies involved in the management of used oil, this single session will provide a comprehensive review of the Rules, Regulations and Guidance governing the management of used oil, an introduction into the use of the new Form 8700-12FL, and time set aside for Questions and Answers.

2. Used Oil Driver Training

Intended for drivers transporting used oil, identical sessions of this class will be offered at three different times and will address a quick summary of Rules and Regulations, applicable customer service issues, a hands on overview of halogen screening, and time set aside for Questions and Answers.

The Agenda will have four slots for you to choose from*:

Friday 8 a.m. to Noon: Driver Training Session
Friday 1 p.m. to 5 p.m.: Used Oil Management Regulations Session

Saturday 8 a.m. to Noon: Driver Training Session
Saturday 1 p.m. to 5 p.m. Driver Training Session

* Italics are currently proposed, but flexible.

Sponsorship Opportunities Available!

SWIX is interested in finding co-sponsors for this event. If you might be interested in sponsorship, please contact Gene Jones, Toll Free: (800) 441-7949 or by Email: gene@swix.ws
