

**Southwest Florida District IX Local Emergency Planning Committee
Proudly Presents**

HazMat Chemistry IQ
Above the Line™ – Below the Line™
8-Hour Training

April 1, 2011
9:00 a.m. – 6:00 p.m.
Southwest Florida Regional Planning Council
Conference Center
1926 Victoria Avenue
Fort Myers, FL 33901

Course Sponsors:

Southwest Florida Local Emergency Planning Committee (LEPC)
Southwest Florida Regional Planning Council (SWFRPC)

Program Description:

HazMatIQ IQ is a patented Hazmat/WMD Response System incorporating a set of SMART CHARTS formulated from years of Hazmat emergency response experience. The system uses four simple steps:

1. 20 second Above the Line, Below the Line size-up™
2. Chemical research under 2 minutes
3. Selecting the correct meters (F.ph, CGI, TempGun, PID, FID, DM, KI, etc.)
4. Selecting the correct Mission Driven PPE (Turnout Gear, Level A,B, or C)

Each attendees will receive a personal copy of the Smart Chart

Program Cost:

This training program is provided free of charge by the SWFRPC and District IX LEPC.

Who Should Attend:

Firefighters, Utilities representatives, Health care personnel, Government officials, Environmental inspectors and Facility representatives. Private facility representatives will be charged a small nominal fee.

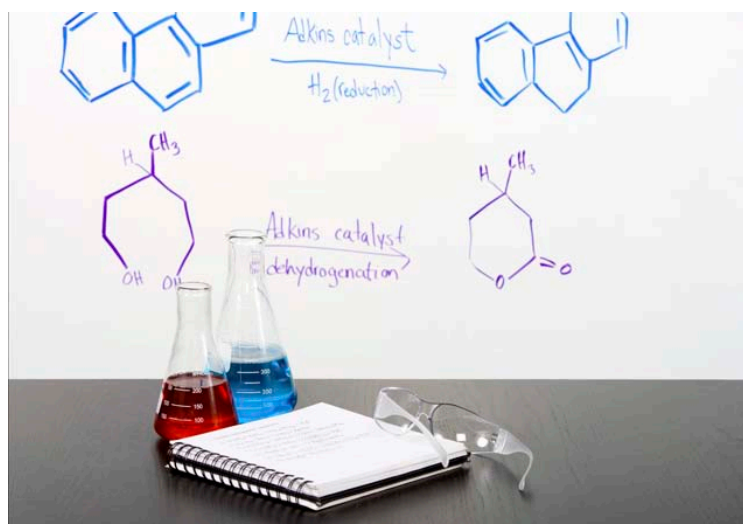

Course Survey:

The LEPC would like to ensure that emergency responders from across the region are exposed to this course. As such, please assist us by responding to the questions below:

- ✓ Have you or other employees of your agency previously attended this course?

Yes_____ No_____

**Southwest Florida District IX Local Emergency Planning Committee
Proudly Presents**

- ✓ Would you be in favor of the Southwest Florida Local Emergency Planning Committee implementing a "No Show Fee Policy" for those individuals reserving space during a course but fail to attend the course?

Yes_____ No_____

- ✓ Should there be a limit to the number of individuals attending from a given agency?

Yes_____ No_____

- ✓ The LEPC has noted that attendance is to be limited to 3-5 individuals per agency for this course. Do you agree with this action?

Yes_____ No_____
