**Cost:** \$10 (includes lunch, snacks, & refreshments)

# Environmental Excellence Day

You are invited to attend the **8th Annual Environmental Excellence Day Workshop** presented by the **Metropolitan Environmental Training Alliance (METRA)**. The workshop's goal is to provide low cost, high quality environmental training to a broad range of environmental professionals and small-business employees. The workshop and exhibits provide a collaborative setting and numerous opportunities for networking among environmental professionals, government officials, and service providers. The exhibits showcase companies offering environmental technologies and services. This is a great opportunity for you to learn about regulations that affect your business, hear about recent regulatory changes from regulators, and discover new ways to minimize your operations' impact on the environment.

**FLORIDA PROFESSIONAL ENGINEER PROFESSIONAL DEVELOPMENT HOURS (PDH) WILL BE AVAILABLE THROUGH LG ENVIRONMENTAL ENGINEERING.**

## THIS YEAR'S TOPICS WILL INCLUDE:

- **Hazardous Waste 101**
- **The Globally Harmonized System for Hazard Communication**
  - MSDS to become SDS
- **Stormwater Pollution Prevention Plans**
- **Spill Planning & Response**
  - Spills – Incidental v. Emergency Response
  - SPCC Plans
  - Planning & preparing for natural disasters
- **Regulatory Updates**
- **Interactive Trivia Game**

## THIS YEAR'S FEATURED KEYNOTE SPEAKER IS TED HOWARD

**Ted Howard** is a social entrepreneur and author. He is the founder and Executive Director of The Democracy Collaborative at the University of Maryland and serves as the Minter Senior Fellow for Social Justice with the Cleveland Foundation. For more than 30 years, Howard has worked for non-profit organizations including UN agencies and The Hunger Project. Howard is the architect of the green jobs and wealth building strategy launched in Cleveland, OH known as the **Evergreen Cooperatives**. Characterized in many press accounts as "The Cleveland Model," Evergreen is an effort to create green jobs in low-income neighborhoods using the purchasing power of the City's anchor institutions (hospitals, universities, etc.) to create local worker cooperative businesses. The program has received international attention from media outlets including *The Economist*, Al Jazeera, *BusinessWeek*, and *Time*. In 2010, *Utne Reader* magazine named Howard as one of the "25 Visionaries Who Are Changing Your World" for his foundation of the Democracy Collaborative.
