Join METRA, Florida Department of Environmental Protection, and St. Johns River Water Management District for a workshop on wetlands and stormwater compliance in Florida.

This event will give you an opportunity to learn about the Florida ERP program and put you in contact with experts who will be available to answer regulatory and technical questions.

Date: August 28, 2014

Place: Second Harvest Food Bank Ballroom
411 Mercy Drive, Orlando 32808

Cost: \$15

Register at
www.metra.org
