

OSHA Operations Training

**Tues., September 17,
2019 8 a.m. - 5 p.m.
Free!**

This eight-hour class is designed to meet OSHA 1910.120 requirements for First Responder Operations Training. It's a challenging class designed to help you prevent release of hazardous materials, properly respond to the release, properly report the release and put controls in place to prevent a release in the future. During the class you will learn:

- Competencies required for Operations Level Training
- EPA Hazardous Waste Improvement Rule
- FDEP Public Notice of Pollution
- 2019 Responder Safety Initiative

**Main Auditorium • Polk County Extension Services
1702 Highway 17-98 South • Bartow, 33830**
