

NAHMMA Florida Chapter Board Election

Nominations Now Being Accepted

Hello NAHMMA Members,

As Vice-President of the NAHMMA Florida Chapter Board, it's my responsibility to oversee our annual election of Board members. Board terms are for two years and this year we have three Board positions open on the NAHMMA Florida Chapter's Board of Directors. Any member of Florida NAHMMA is eligible to join the Board, if elected by the membership.

These are the primary responsibilities of Board members:

- Maintain your membership in NAHMMA during your three-year term on the Board
- Attend and actively participate in monthly Board conference calls
- Do what you can to recruit new members to NAHMMA
- Join one of NAHMMA's committees, ensure there is a chair-person of that committee, the committee regularly meets and the Board is informed of the committee's activities
- Attend the Florida Workshop each year.

The NAHMMA membership nominates and votes for the Board members. Then once all Board members are elected, the Board members decide which position each person will hold.

I encourage you to consider joining the 2020/21 NAHMMA Florida Chapter Board. If not you, encourage other NAHMMA members you know to run for office.

It looks awesome on your resume and allows you to join a very fun, smart and active group of like-minded members who are dedicated and committed to NAHMMA's mission.

Please send an email to Javier@epchc.org stating why you're interested in joining the Board and why you are a good candidate. **Due date for nominations is March 27, 2020.**

The election will be held during NAHMMA's Florida Workshop in Brevard County, with the winning candidates beginning their term that day.

See you in Melbourne,

Gerry Javier
NAHMMA Florida Chapter Vice President
